

# ExCode Week 1

University of Exeter

Monday 27<sup>th</sup> September, 2021

# About the Course

- ▶ Every DAY for 8 weeks (excluding reading week).
- ▶ 18:30 to 19:00 - Lecture in the LECTURE THEATRE.
- ▶ 19:00 to 19:30 - Practical in ROOM.
- ▶ Learn to program - not just Python!

# About the People

- ▶ PERSON - Organises ExCode.
- ▶ PERSON - Delivers the lectures.
- ▶ Me - Teaching assistant, supervises practicals.

I should be your first point of contact (email or WhatsApp). My email is EMAIL.

If you have any issues with attendance contact PERSON (EMAIL.)

# Required Material

- ▶ A laptop.
- ▶ A Google Account.
- ▶ Some space on your device.
- ▶ An internet connection.

And most importantly, a willingness to learn! :D

# Solutions

- ▶ Solutions to last week's exercise will be emailed out every DAY and discussed the next week.
- ▶ Don't worry if your solutions aren't exactly the same!
- ▶ If you have any issues, please feel free to contact me (email or WhatsApp group).

# Extracurricular

- ▶ Further reading - Think Python Book, W3Schools, Python documentation/tutorial.
- ▶ Try to practice on your own!

# Other Information

- ▶ Missing weeks.
- ▶ Google Colab.
- ▶ Changing groups/rooms.
- ▶ Health and safety.

# Focus

- ▶ Introduction to Python.
- ▶ Basic calculations.
- ▶ Showing things on the screen.
